FINANCIAL AGREEMENT Please read and initial each of the terms listed below followed by your signature and the date.

- All athletes are required to have a card on file. Check or cash may be submitted to the front desk as an alternative payment before the payment is due.
Monthly withdrawals/payments are pre-scheduled according to your athlete's program and are outlined in your financial contract.
Accounts that are 10 days past due will be charged a \$30 late fee for each month late.
Declined payments will incur a \$30 fee to your account.
By attending at least one practice in any given month, the responsible party agrees to pay that entire month's tuition.
There will be no refunds or prorating for team practices, tumbling classes missed through the season.
There will be no refunds or prorating for practices cancelled due to holidays, competitions or inclement weather.
There will be no refunds of any kind if an athlete elects to leave the program. Any merchandise on order will be forfeited and a \$500 drop fee will be charged and processed.
Additional practices may be added prior to major competitions; no additional charges for these added hours.
Athletes will not be allowed to participate in practices or competitions until balance is current on delinquent accounts.
Sibling discounts—the first child in each family (highest tuition rate) pays full tuition; each additional elite sibling receives \$75 off tuition per month, each additional prep or novice sibling receives \$20 off tuition per month. There are no sibling discounts for classes.
The guardian who fills out this form is responsible for account payment. Fees will not be split for dual households.
Military Discount- families with active or retired military as the primary caregiver receive \$20 off tuition per month. This discount is applied once per family and cannot be used with the sibling discount.
High School Graduate Discount- High school graduates can apply for additional discounts based on commitment level, skill, college GPA/graduating HS GPA and other factors.
Prepay accounts receive 10% tuition discount if the entire regular season tuition and fees are paid within 14 days of enrollment.
Athletes are responsible for paying the competition/coaches fees for any alternate that fills their spot when electing not to compete or pulled from competition for failure to abide by attendance rules.
All teams may have additional competition and coaches' fees for competitions added in order to obtain a post-season bid.
There is a 3% processing fee for all credit and debit card transactions.
Classes, spirit wear, clinics and private lessons must be paid for at the time of service. We reserve the right to refuse any sale/service if your account is delinquent (30 days past due).

I understand and agree to the above financial policy agreement:
